

COLLECTIF INFO 10 – 2014 08 26

*Dear friends of the Collectif,*

*You haven't heard from us regarding our request for an Extraordinary General Meeting ... This is due to the fact that the Collectif spokespeople have been quite tied up in meetings and wanted to give you as much "live" information as possible (CollectifInfos 7, 8, 9).*

*Many IFE members have joined the Collectif (-we are now over 325 signatories) after reading the elements "negotiated" by the redevance commission of IFE.*

*In the name of these IFE members, we formally asked IFE Chairman Claus Hartmann to call for an Extraordinary General Meeting within five weeks, as required by the statutes, with a "Redevance 2015" agenda. Following the receipt of a formal notice, IFE representatives eventually decided (after the deadline...) not to hold an Extraordinary General Meeting but to replace it with a mail vote (which is provided for in the statutes) and to differ it... to an unknown date.*

*We have made our request once again one week after the deadline (see the letter "confidentiel" of July 7<sup>th</sup> attached), but to no avail albeit an indirect request to postpone the dispatch of the motion until after the July 31<sup>st</sup> (date of the meeting with Mr Paquier, aka the expert)...*

*Since this, you have probably received an anonymous mail recanting IFE members that joined the Collectif : evil be to whomever thinks differently as the anonymous author !*

*To this day, we have not heard from IFE regarding a deadline for the vote.*

*I therefore send to the IFE Chairman the final motion demanded by the IFE members that also joined the Collectif action. It is based on the form that all of you have completed, dated and signed, in which you expressed your position.*

*We also attach the letter that has now lost its confidentiality, as well as the motion itself as sent to IFE.*

*Yours sincerely,  
For the Collectif  
J-P. Vacandare*
