Dear Naturist friends,

Thanks to all of you who have entrusted us, thanks to all of you who have encouraged us in spite of the flying misinformation, and thanks to all of you who have sent us their remarks and questions. We don't have enough time to always answer but your messages are carefully read!

You should have received the "information" file ("Dossier Redevance") from Euronat's management and you know now that the change in yearly fees is being brooded with the consent of IFE's redevance commission.

All is not lost! The legal advice we have had is very clear about this! Time is not our enemy and we will shortly come back to you.

But for now, here are two important advices:

1. Answer NO to IFE's-Euronat's proposition "Protocole transactionnel" (if you are consulted!).
 - because the proposal constitutes a substantial change in our contracts
 - because nothing serious is given as a counterpart (free entrance to the pool!?) to the additional fund, be it named "works" ("Redevance travaux"), "renovation" or whatever.
2. Inform your neighbors and friends, and encourage them to join us, unless of course they desire to make a yearly "donation" for 10 years to SAS Euronat ! The more we are, the more we will be efficient and strong!

We will contact the members of the Collective soon!

Your sincerely,

For the Collective,

Jean Paul VACANDARE
