

## **“15 EURONAT INFO” WHAT YOU NEED TO KNOW**

All of you would have received an email from Euronat informing you that <Euronat info 15 is published.

You have read in particular in the introduction that “22 owners have unfortunately issued proceedings against Euronat, the company, before the Tribunal de Grande Justice of Bordeaux .....

and further more “within this action issued on December 30 before the TGJ Bordeaux 22 owners dispute the validity of the agreement made 22 November 2014.....”

This is misinformation. We would like to reassure all of those who have joined us in this action and have signed power of attorney, and those who are about to join us before the end of March - that in fact, the action exceeds that issued on 12/30/2014 which comprised 22 TITLE HOLDERS OF RIGHTS OF USE, we are to date now more than 150 and you should know that every day we are gaining more and more power

**Do not be influenced by this info 15 newsletter and continue to trust us. JOIN US EN MASSE: WE WILL BE HEARD AND HAVE STRENGTH IN NUMBERS.**
